Spring Vaccination Clinic with Dr. Peralez

Dr. Peralez vaccinated a total of 18 horses on Saturday and will return on Monday, May 21st to float teeth and clean sheaths. Please let me know if you would like to be added to this follow-up clinic and I'll put you on the list.

Thank you to the many people who showed up ready and willing for the spring work day! A lot was accomplished including plumbing and electrical work, patching the clubhouse exterior, rocks picked out of the main arena, completing the trellis over the tack room sink, weeding and trimming all over the property and trimming along the trail north of RBR. Thank you to Fly Manglicmot for donating fresh pots of coffee and to Rebecca Roberson for making bread pudding with raspberry sauce! Thank you to the following members for their attendance: Eric Waller, Lambert Gilbert, Betsy Coles, Susie Brown, Connie Flanders, John Flanders, Kathryn Herbert, Adam Herbert, Jenny Deiker, Laura Cunningham, Rebecca Roberson, Ashley Roberson, Shu Shu Moser, Dale Thomas, Tamara Thomas, Kelsey Toms, Jeff Powell, Patty Sue Jones, Fly Manglicmot, John Hedrick, Sandy Pellegrin, Savannah McCarthy, Mary Barrie, Lori Schneider and Susanna Romney. Thank you to those who arranged for a job to do on their own time: Sally Sandor weeded around the jumping arena patio, Patty Sue Jones worked on the trail in the arroyo, Clare Lombardo pruned along the entrance drive and Julie Unamuno replanted the 3 terracotta pots. Thank you to those who donated funds: Darcy Williams, Alana Bonilla and family and Michele Greene. If you missed work day please send in a check to the P.O. Box. Any amount is greatly appreciated! Or contact Susie Brown to arrange for a job to do in the next few weeks.

Please kindly let me know if I've missed thanking someone!

Lisa Kursinski Clinics

This Saturday and Sunday, clinic participants will have the opportunity to train with the multi-talented Lisa Kursinski. Riders will have a choice of doing dressage AND/OR hunter-jumper work with Lisa. Both a short dressage court and varied sets of jumping gymnastics will be set up in the main arena. Dressage basics can significantly assist you in producing excellent hunter-jumper work. It will be your decision how you would like to use your time with this multi-talented clinician! The clinic fee is \$110 per day and auditing is FREE! See Darcy Williams for more info. We will need volunteers to assist setting up and taking down the dressage court and fences for this event. There are sign up sheets located in the barn above the phone and on the feed room door. Thanks in advance for your help!

Summer Dressage Schooling Show

The Summer Dressage Schooling Show with judge Patricia Lincourt is scheduled for May 20th. Tests will range from 2007 USDF Intro. Walk/trot to 2007 USEF training through second level. The premium, registration form and tests are all available online at www.rosebowlriders.org. Entries are being accepted until May 11th! Please let us know if you would like to sponsor a division or are able to help with set up or take down for the event. See you there!

Greening the Earth Day in Pasadena

On Saturday, April 21st the city of Pasadena held it's annual "Greening the Earth Day & Armory Family Arts Festival" in Memorial Park. RBR was invited to participate and had an informational

booth featuring our new banner, photo board and updated brochures. Thanks to Alexis Young and Emily Stork for manning the booth! We had the pleasure of talking with many families and introducing our lesson, scouting and horsemanship programs to them. I believe the highlight for many kids was the opportunity to sit on Cody, Doug Lerner's horse! Cody was wonderfully patient throughout the day as Doug and Emily hoisted children one by one up onto his back. MACH 1 was also invited to have a booth at the event, staffed by Cric Dupuis and Connie Flanders, and brought Mercy Lavender along. Mercy was a great addition to the day because each bray she let out attracted more and more fascinated visitors to our corner of the park!! Thank you to everyone who attended this event and helped share their love of horses with others!

Horsemanship 101 Class

Instructor Alexis Young will begin the fourth session of the City of Pasadena co-sponsored Horsemanship 101 on May 20th. The classes will again take place on Sunday afternoons from 1:00 – 3:00 pm and will run through June 10th. Alexis is looking for safe, reliable horses to be used in the classes. Horses may be used for brushing, hoof-picking, haltering, leading, tacking up and other non-riding activities. If you think your horse would be a willing and patient candidate, call Alexis at (323) 478-0236.

American Heritage Scouts Earn their Horse Badge

On April 14th a local troop of American Heritage Scouts were able to earn their horse badges at RBR thanks to instructor Alexis Young. They learned the many aspects of horse care and afterwards helped pick up rocks from the main arena.

Rose Bowl Riders Photos Featured in Equus Magazine

May's issue of Equus magazine has a multi-page article featuring Ray Hunt. All the pictures in the article were taken at the last clinic Ray held at RBR. There is even a large picture of Greg Hedrick riding Willie! Stop by your local tack shop today and pick up a copy!

Trainer Notes

Please welcome new horses Riley, a bay warmblood gelding, Flip, a black pony gelding and Cece, a chestnut thoroughbred mare to RBR! These horses belong to trainer Katie Gintzon and will be used in her lesson program. Riley has already found a half lease with Tamara Thomas, congratulations! Flip, Cece and Howie are all available for partial leases. Lessees are required to take lessons with Katie (for Flip and Cece) and Alexis (for Howie). Please get in touch with them if you or someone you know may be interested!
