Work Day & Vaccination Clinic

Thank you to all the members who attended the Fall Work Day! We cleared tons of brush along the lower east fence, picked up rocks in the main arena and relocated sand in the jumping arena in preparation for leveling this week.

69% of our Boarders participated!!

A lot was accomplished and it couldn't have been done without these people: Chip Rittenhouse, Robbie Davis, Patty Sue Jones, Elizabeth Hackman, Ariel Wisch, Emily Stork, Alex Meenehan, Fly Manglicmot, Julie and Jacob Unamuno, Wendy Haigh, Tim McGee, Sally Sandor, Doug and Carolyn Lerner, Betsy Coles, Sue Lafferty, Jim and Charlene Nigra, Susie Brown, Lambert Gilbert, Lisa Bailey, Howard and Matthew McNeil, Ing Ostrom, Tom Lockhart, Rebecca and Ashley Roberson, John and Dinah Le Hoven, Lisa, Audrey and Sidney Grabow and Lori Schneider.

Thank you also to Darcy Williams, Grete Gryzwana and the Toms family for their generous monetary contributions!

*If you were not able to make the work day, please ask Susie Brown or myself for an alternate job to be completed on your own time or send a check (memo: work day donation) for any amount to the P.O. Box!

Thank you!

Thank you to the following people for their work around the barn!

- o Elizabeth Hackman – Installing new hose reels in the wash rack and a fire extinguisher in the mare motel.
- o Betsy Coles – Lending RBR several stall mats for our barn aisles.

Welcome

Please welcome our new boarder Michelle Green and her chestnut Quarter mare Marmalade! They have moved into Howard McNeil's vacant stall. Now we have a Butter *and* a Marmalade!

Guests

18 guests will be boarded for the Ray Hunt Clinic from November 11-13 in the upper stalls, sun pen, box stall and by Tom Sawyer Camp.

4 guests will be boarded for the Dressage Clinic from November 18-20 in the upper stalls.

Thank you in advance for making them all feel welcome!

Arenas

The jumping and main arena will be leveled on Wednesday November 9th and will not be available for general use. Thank you for your patience while we do some improvements!

On Tuesday and Friday mornings Tim will drag the main and jumping arenas IF the sprinklers are out and there are only 3 or less jumps in the jumping arena. Please take the time to help water the arenas when you're at the barn, especially on the days before it gets dragged.

Thank you *everyone* for your continuing efforts to keep RBR a friendly and beautiful facility!

Your Barn Manager,

Ariel
