The clinics will be held in the main arena of the Rose Bowl Riders facility in Pasadena. Each rider will have a 45 minute one-on-one session with Lisa each day. You have a choice of doing dressage AND/OR hunter-jumper work with Lisa. Both a full-sized dressage court and varied sets of jumping gymnastics will be set up in the main arena at RBR. Dressage basics can significantly assist you in producing excellent hunter-jumper work. It will be your decision how you would like to use your time with this multi-talented clinician. After your session enjoy a relaxing ride on one of our local shady trails. Bring your lunch and watch other rides in the picnic area. Overnight stabling in pipe stalls is available for \$15 per night (feed extra). Take advantage of this great opportunity to train with Lisa at the beautiful Rose Bowl Riders!
